4 P.M. BURN LAW IN EFFECT UNTIL APRIL 30th

Per [Warren County Fire and Rescue](#) : Virginia's 4:00 p.m. Burning Law goes into effect on February 15. The 4:00 p.m. Burning Law goes into effect each spring and is different from the burning bans, which are invoked only during periods of extreme fire danger. Debris burning continues to be the leading cause of forest fires in Virginia.

Briefly, the 4:00 p.m. Burning Law states: from February 15 through April 30 of each year, no burning before 4:00 p.m. is permitted, if the fire is in, or within 300 feet of, woodland, brushland or fields containing dry grass or other flammable material.

This law applies to campfires, warming fires, brush piles, leaves, household trash, stumps, fields of broomstraw and brush or anything capable of spreading fire.

Since forest fuels cure during the winter months, the danger of fire is higher in early spring than in summer when the forest and grasses are green with new growth. The 4:00 p.m. Burning Law is an effective tool in the prevention of forest fires. Localities may have more restrictive outdoor burning laws.

For more information and complete copies of the law, please check out the Virginia Department of Forestry at www.dof.virginia.gov .
