Commendations

The Sheriff's Office strives to provide outstanding service to both the citizens of Warren County, and to those who pass through our county either occasionally or on a daily basis. Most of what we do is considered "routine" or "part of the job." We expect little recognition for our efforts.

There are, however, times when a deputy or employee performs their duties in a manner so appreciated by the citizen that they would like to say "thank you" or "job well done." Many times, the citizen doesn't know to whom they should speak, or where they should write to express their sentiments of appreciation. It's for this reason we have created a mechanism to provide a way you can tell us what you think!

or

Tell a Deputy: Tell any deputy you see about the incident and ask him/her to pass the information along to a supervisor.

It would be helpful if you know the name of the deputy or employee involved, but if you don't, just tell us about the incident and we will attempt to find out who was involved. It would also be helpful to know where and when the incident took place.

Complaints

Of course, no one likes to hear that things are not going well, or that the service provided is not satisfactory! We do understand, however, that there are times when not everyone will be happy with the service or outcome of our work.

It's also necessary that this office be made aware of the incidents where you feel we did not perform our duties properly and adequately.

If you have a complaint regarding any aspect of our performance, we would like to hear about it!

Just follow any of these instructions:
